Facebook video cover photos have become popular marketing tools for brands over the past few years. Some videos include audio and animation; others include animation with no sound. Facebook recognizes a GIF just like a video, so you have plenty of creative freedom when it comes to sprucing up your page. Log into Facebook to start sharing and connecting with your friends, family, and people you know. Go live on desktop . Create your video. Go to your Facebook Page. In the Create section, click Live.This will take you to the Live Producer tool. Go to the Live Shopping tab and toggle on Enable Live Shopping;. Under Select a Playlist, click Choose My Playlist and click Save.The products from your playlist will show under Feature Items so you can share them in your live video.
